

Memorandum

To: City Council
CC: City Manager Ken Coleman
From: City Clerk Gail Davidson
Date: 4/2/2015
Re: Appointment of City Representatives to MEAN

City Council:

A representative of the Nebraska Municipal Power Pool (NMPP) has contacted the City and requested reappointment of the two City representatives to the Power Pool Members' Council. Public Works Director Ken Bradford indicated he will continue serve as the City's Representative and Electric Superintendent Will Dowis will serve as Alternate Representative, if that is Council's wishes.

There are several other appointments made on a three-year cycle. Tex and Will also are the City representatives/alternate on the Municipal Energy Agency of Nebraska's (MEAN) Board of Directors and Tex and Will also serve on the MEAN Management Committee.

Action Requested of Council: Motion, second and affirmative vote for the appointment of Ken "Tex" Bradford as Representative and Will Dowis as "Alternate" representing the City of Gunnison on the NMPP Members' Council.
